Maintenance Contract

With the purchase of an RCM Ultimate license the maintenance contract for the 1. Year is included. The contract can be extended by one year at a time after the 1. Year of purchase. The costs of it will be 15% of the purchase price (75 Euro).

The maintenance contract contains the following points:

- Access to current fullversions and updates
- Free Hotlinesupport (12 hours / 7 days)
- Customer's requests concerning the software can be implemented (after consultation with RC-Timing)
